THIS CONTINENT

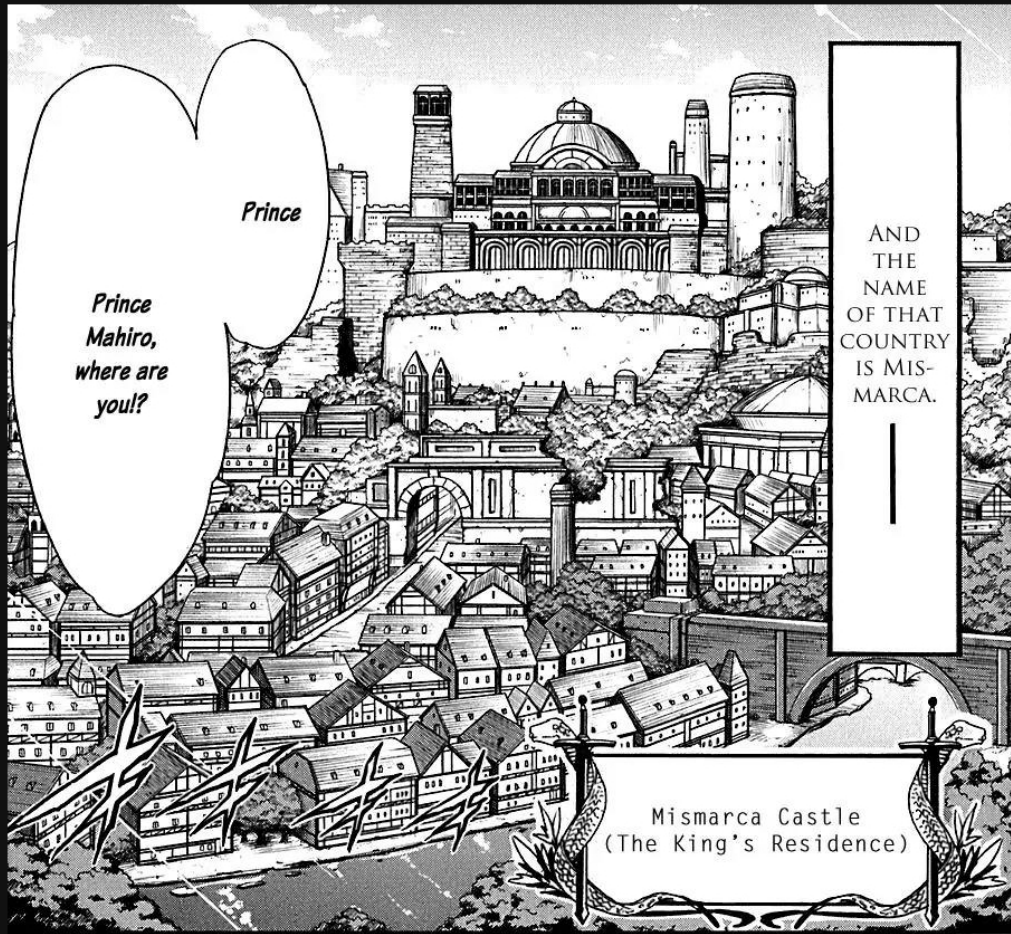

THE MIDLANDS LIE IN BETWEEN THESE TWO POWERFUL COUNTRIES.

IN THE NORTH IS THE REPUBLIC OF ZEPILM, WHERE MAJIN AND HUMANS COEXIST. IN THE SOUTH LIES THE GRAN MARSENAL EMPIRE, RULED BY THE SUPREME MAJIN.

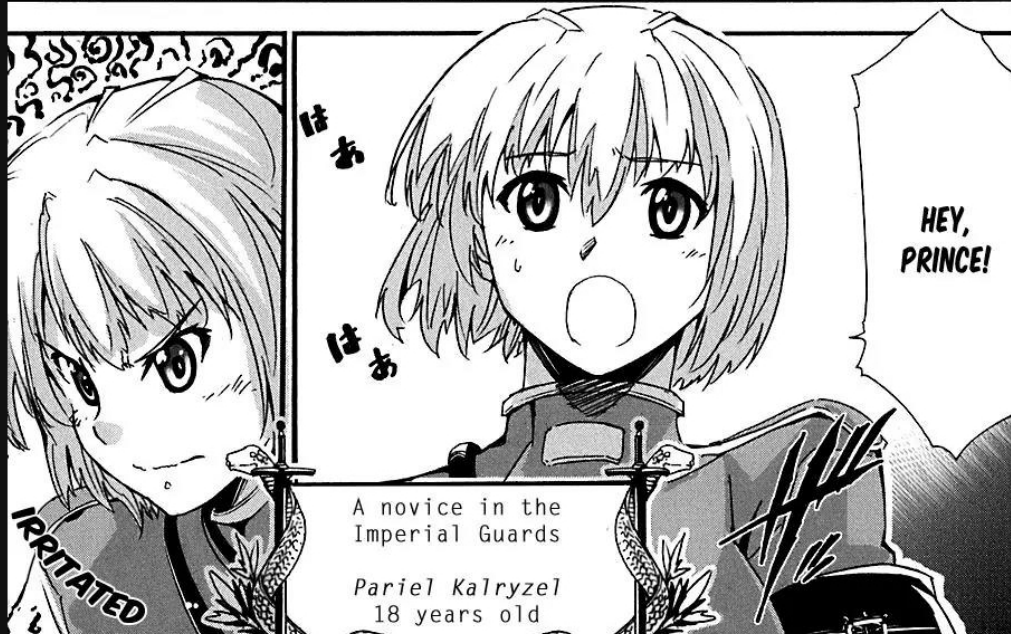

WITHIN THE MIDLANDS LIE A SMALL COUNTRY, ONE THAT WILL SHAKE THE WHOLE CONTINENT.

Prince
Prince Mahiro, where are you!?

AND THE NAME OF THAT COUNTRY IS MIS-MARCA.

Mismarca Castle
(The King's Residence)

IRRITATED

HEY, PRINCE!

A novice in the Imperial Guards

Pariel Kalryzel

It's

I can go anywhere I want.

I'm a prince, you know?

THE SUCCESSOR FOR THE MISMARCAN THRONE

THE WAR WILL START

Do you understand this situation?

Last night, The Gran Marsenal Empire has started invading our Kingdom.

FATHER, I DO NOT THINK THAT I AM READY FOR THIS—

And I want you to take my place while I am away.

I must go to our allies, the Republic of Zepilm, to discuss our next move against our mutual enemy.

With the empire's large army, it will take them half to one month to reach Mismarca.

Rest assured; nobody said you would be fighting in this war.

.....

Mahiro

I will be back in five days or one week at the latest.

However, you should not be bothered with that nonsense.

I know what the people inside and outside our country are saying about you.

So, I'm giving you a chance.

In other words, it's the king's duty to make his people trust in him. The king who's not trusted by his people is just a clown.

I will release the seal of your

At that time...

If you manage to make even just a few of the citizens give their trust to

power

you in just few days

IS...
IS THAT TRUE,
FATHER?

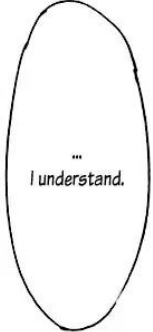

But if you show
the aptitude
as a king,
then there's
no problem.

I had to seal your
power when you were
little, because your
power as a Majin
was too powerful.

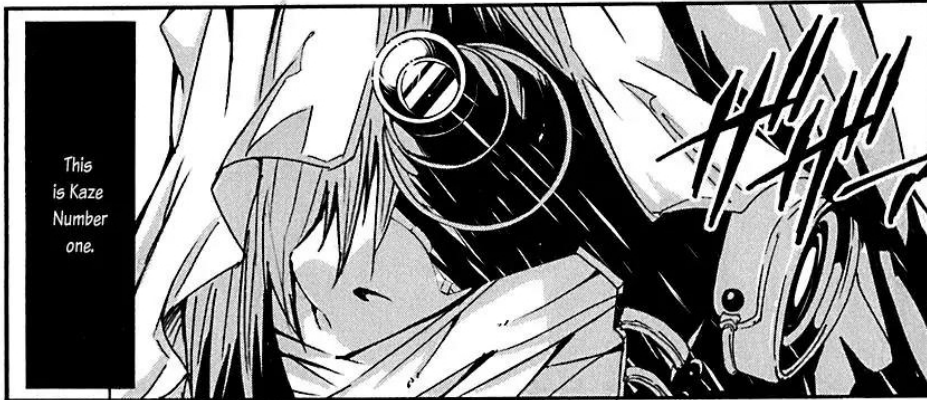

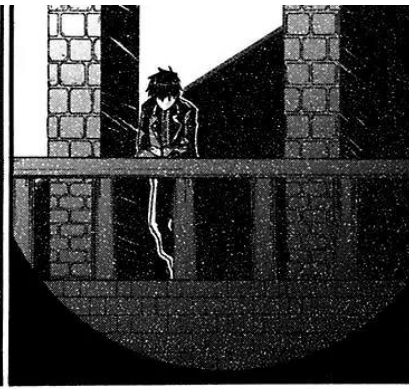

I'll show you
that I can
lead this
country
while you're
away!

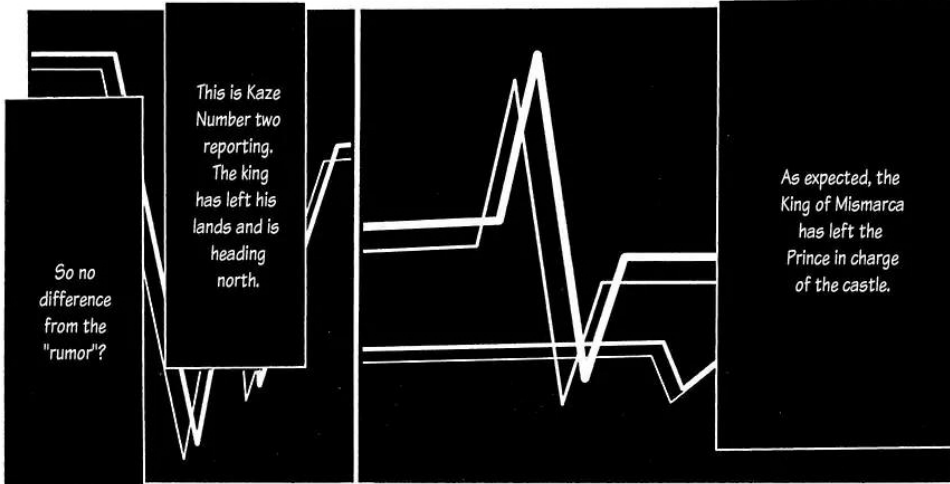

...
I understand.

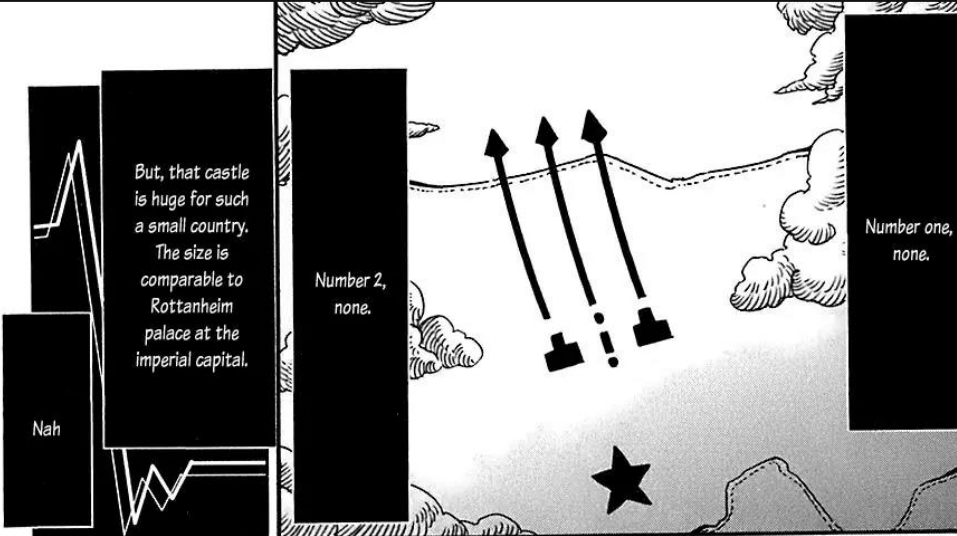

This is Kaze Number one.

So no difference from the "rumor"?

This is Kaze Number two reporting. The king has left his lands and is heading north.

As expected, the King of Mismarca has left the Prince in charge of the castle.

Nah

But, that castle is huge for such a small country. The size is comparable to Rottanheim palace at the imperial capital.

Number 2, none.

Number one, none.

that once ruled the Midlands.

That's just a mere shadow of the Mismarcan Dynasty

... so you were spacing out again huh...

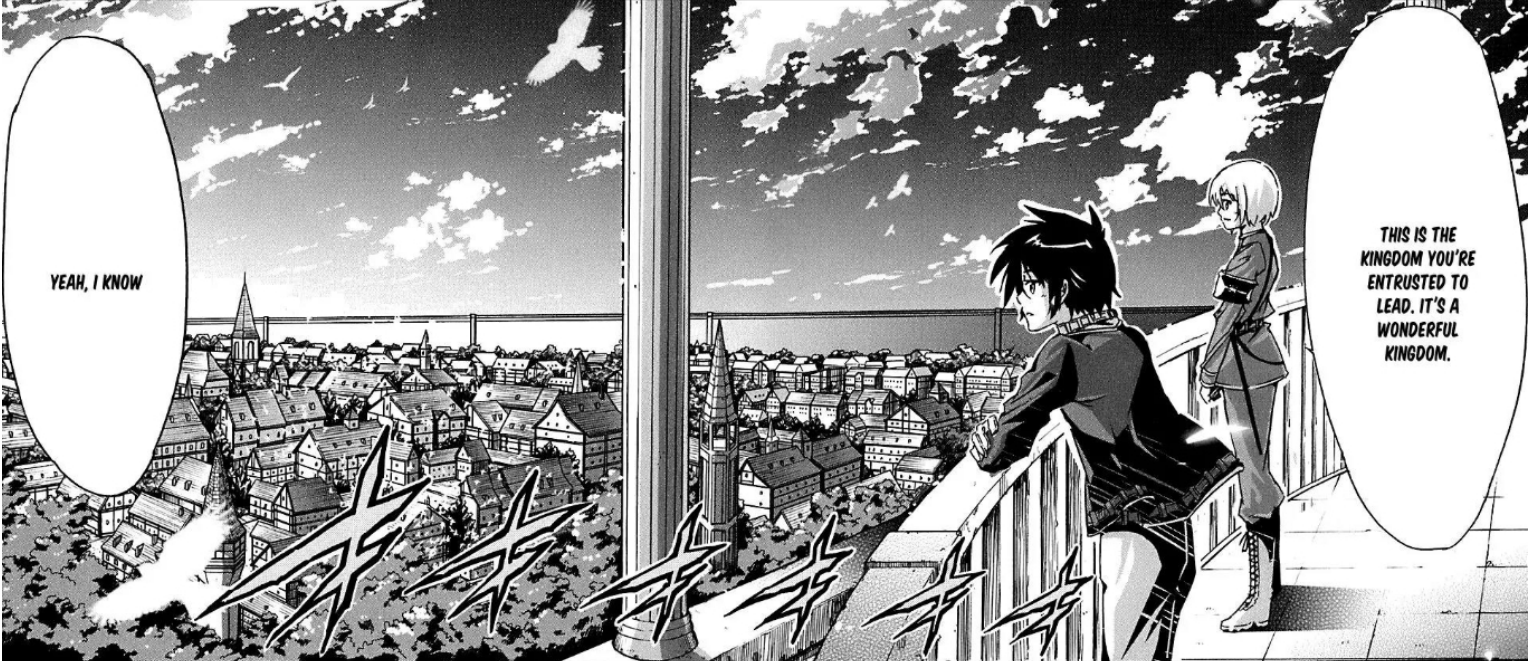

Do I look like I'm thinking?

What are you thinking?

Are you looking at the city around you?

YEAH, I KNOW

THIS IS THE KINGDOM YOU'RE ENTRUSTED TO LEAD. IT'S A WONDERFUL KINGDOM.

...
KUN

WAWAWA!

YOUR ORDERS, MY PRINCE. EVERYONE IS WAITING.

I'M SURE IT WILL BE ALRIGHT! PARIEL WILL HELP YOU!

Prince...

Prince... Are you worried about what the king said at the Audience Room earlier...?

FREE — DOM !!

Yes, right here!

**KALRO!!
MINISTER OF
HOME AFFAIRS
SIR KALRO!
ARE YOU HERE!?**

**TO GATHER
ALL WOMEN**

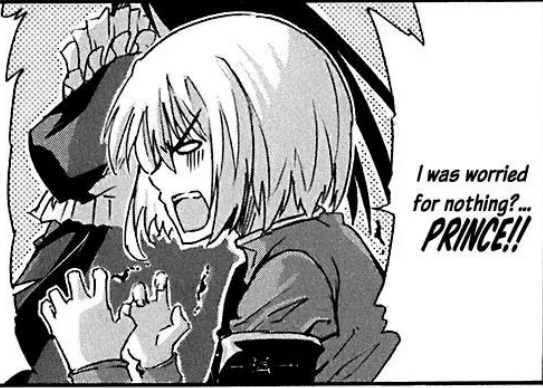

**ON
BEHALF
OF MY**

ALL WOMEN
BETWEEN THE
AGE OF 12
TO 35 AND
HAVE THEM
WEAR MAID
UNIFORMS!!

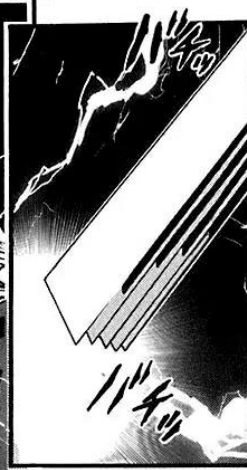

FATHER,
I ORDER
YOU

WHAT
ARE YOU
THINKING
!?

I was worried
for nothing?...
PRINCE!!

21/51

AH

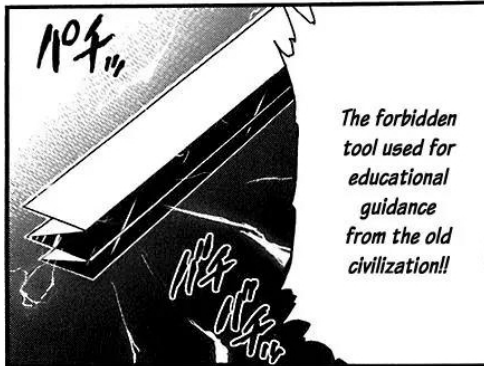

WHY
DID YOU
HIT ME?
I'M A
PRINCE!!

OUCH

Ah, that's!!

The forbidden tool used for educational guidance from the old civilization!!

Hey, Pari!! Your prince is getting beaten like a ragdoll and that's all you can say?!

!THE HARI-SEN!!

Edelweiss-sama

No

A-ah Edelweiss, why are you here?

I thought you were with my father...

Yes

Kalro-sama, leave the rest to me.

I-IS THAT SO?

Yes, your highness

MY FREE-
DOOOO-
OAAAAN
...

A-AAN
WAIT. MY
AMBITION...
MY DREAM

You're being a nuisance.

Your Highness

V-YES

Pariel

びん

Well then, your highness, I will be leaving now.

Ye-yes

You have to be His Highness' bridle.

As you can see, the Prince is somewhat stubborn. Thus, you're allowed to use violence if he's out of control again. Just don't go overboard.

KALRO

ヒッ

Edelweiss is a Majin.

ッ

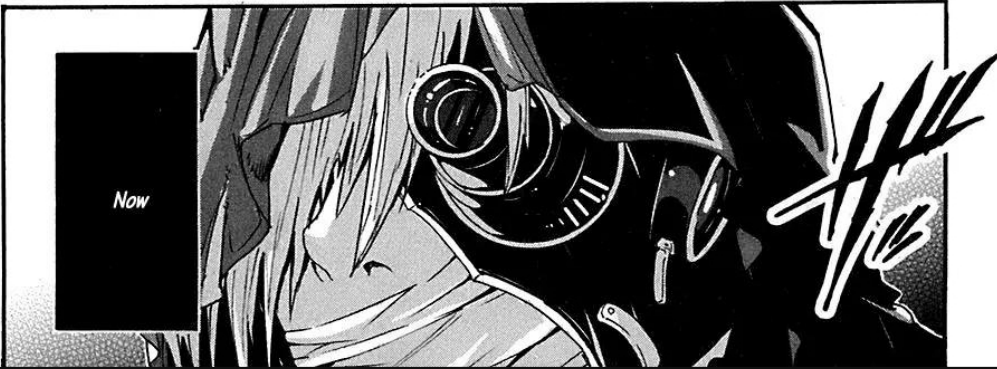

She is the one that established the social status and the necessity of maids.

Right now she's the head of the chamberlain squad in this country. But I heard she was in the empire's high grade chamberlain squad in the past

She can do everything flawlessly. As a maid, as an educator, and also as a general in battle.

Now

26/51

There are a few crests that I have never seen before on the wall.

The moat and those castle walls... It's a typical castle design. If I were to attack, where would that be...

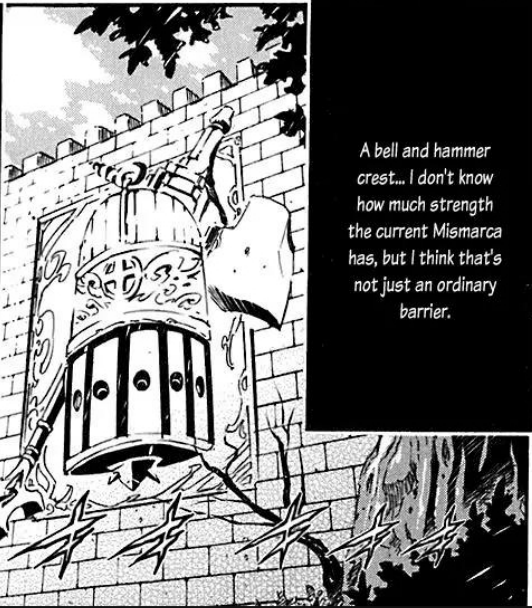

What is it?

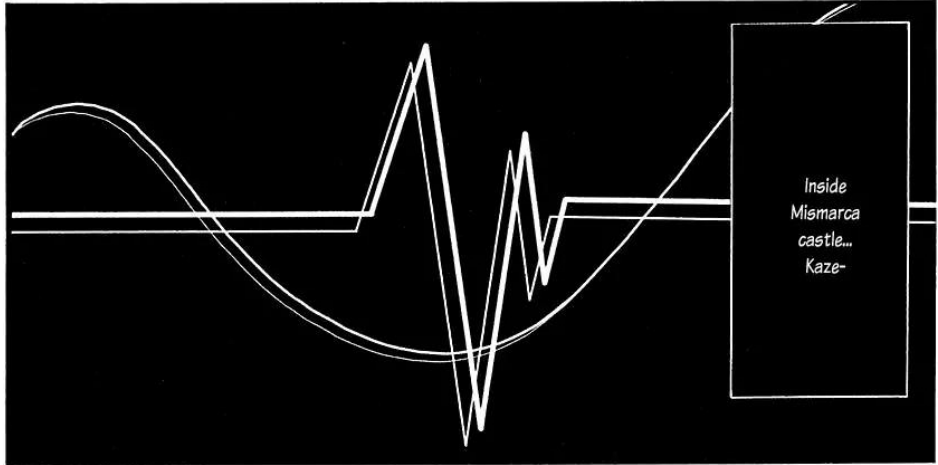

Kaze
Number two
here, I
have new
information

So I
can't just
jump over it
carelessly...

A bell and hammer
crest... I don't know
how much strength
the current Mismarca
has, but I think that's
not just an ordinary
barrier.

27/51

Inside
Mismarca
castle...
Kaze-

No, no
problem
at all.

What's
wrong?

Urgent!
I'm changing
my location.

!

End transmission

28/51

As I suspected.
Somebody
was here...

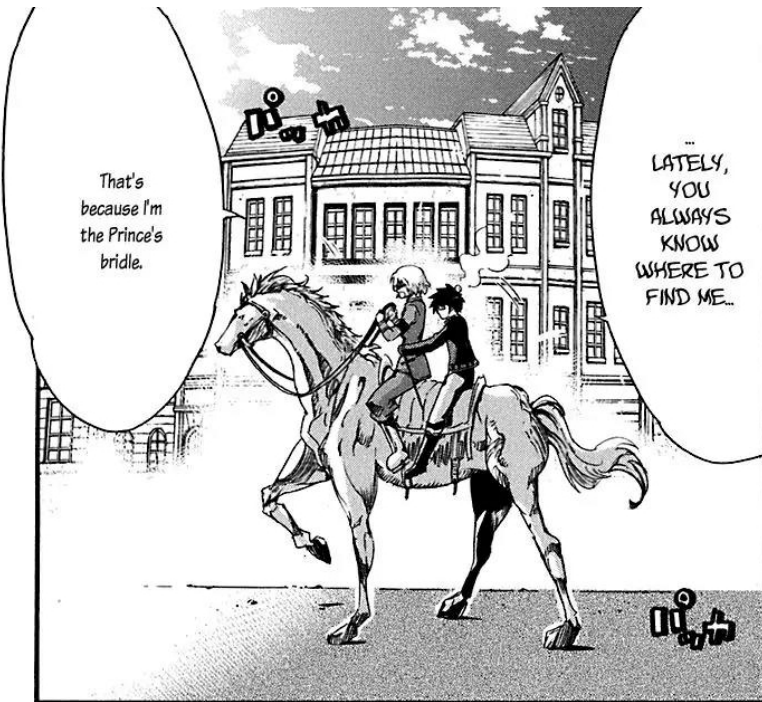

**I FOUND
YOU NOW,
PRINCE!!**

**UGH!
PARIEL!**

**I'VE BEEN
LOOKING
FOR YOU
INSIDE
THE
CASTLE!!**

29/51

That's because I'm the Prince's bride.

... LATELY, YOU ALWAYS KNOW WHERE TO FIND ME...

Don't say that.

Because you're my guard right? I personally think I'm not worthy of protection.

Why are you asking me that all of a sudden?

Hey

Why did you become a knight?

I was dying, but at that time, someone came and saved me.

When I was a kid, I got attacked by a monster.

I was staring at the back of a boy I played with...

Another thing that I remember is...

Do you remember who saved you?

The only memory I have was that I was playing with my friends outside town at that time.

When I woke up, I was already on the bed

After the incident, just like how my life was saved by someone.

I decided that I wanted to help and protect other people.

I wasn't lying about my childhood; I have a scar on my back as proof that it did happen!

Ah! You think I lied!?

Hmmmm really?

わはは、

I only have talent for the sword and to become an Imperial guards knight~~

Well, I know that you're not smart enough to become a doctor.

I see. So you do have a reason in becoming a knight.

わあああ

AAAN

わん

Around here, right?

Yeah, I know.

PRINCE! DO WANT ME TO THROW YOU OFF!?

は、

Well, obviously I saw....

By the way, how do you know where my scar is located?

I'M GONNA SMASH YOUR ROTTEN HEAD!

DIE, STUPID PRINCE! HOW DARE YOU PEEK!!

てん てん

NOPE I DIDN'T SEE IT, I REALLY DIDN'T ARGH GAAAH BWAAAA!!

TELL US THE REASON!! THE REASON!!

ガッ ガッ

Huh?

ん

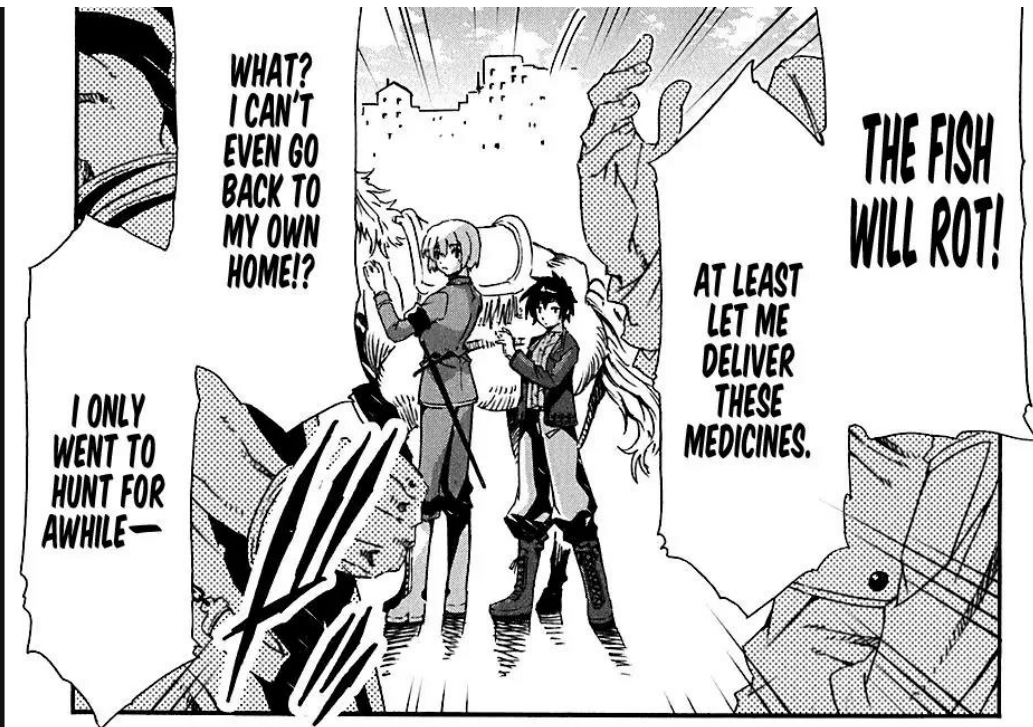

Pariel-san? You should really restrain yourself at times like this.

WE'VE GOT ORDERS TO FORBID PEOPLE FROM USING IT!

DON'T PUSH! WE'RE CLOSING THE MAIN GATE!

WHAT?
I CAN'T
EVEN GO
BACK TO
MY OWN
HOME!?

I ONLY
WENT TO
HUNT FOR
AWHILE—

AT LEAST
LET ME
DELIVER
THESE
MEDICINES.

THE FISH
WILL ROT!

は

You went out
of the castle
again...I can't
believe how
stupid you
are...

Ah, even you
speak to me
with that tone.

ぼーん

Can't you see?
We're closing the
gate. Nobody
is allowed to
go in and....

What
happened?

Psssst

た?

...Eh!?
**YOUR
HIGH-
NESS!?**

It is to prevent
the Empire's armies
or spies from slipping
in and out of town.

ガヤ
ガヤ

ガヤ
ガヤ

This is the order
given by the
Minister of Home
Affairs, Sir Kalro.

Then stop this.

Yes

Of course we can't tell them, We don't want to spread panic in town.

And you haven't told the citizens about it?

MEANINGLESS!?

Hm? It's meaningless.

BUT WHY, PRINCE?

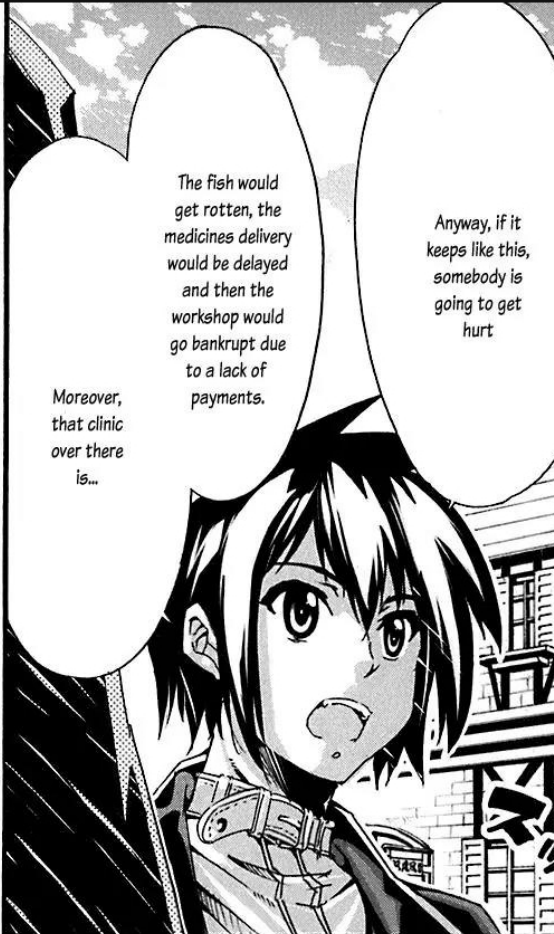

36/51

えん

Prince... Could it be that he understands the citizens' circumstances in detail...?

Moreover, that clinic over there is...

The fish would get rotten, the medicines delivery would be delayed and then the workshop would go bankrupt due to a lack of payments.

Anyway, if it keeps like this, somebody is going to get hurt

YES, YOUR HIGHNESS!

RIGHT AWAY!

Also, can you tell the guards at the Northern Gate? Ah, but use Edelweiss' name instead.

Anyway, by the authority the King has given to me, I rescind Sir Kalro's orders. Give whatever excuse you can to appease the citizens and go about your normal routine.

37/51

Hey

.....

Hmm

Is there any problem with Minister Kalro's order?

I heard that my name was being used the entire day.

Aren't you forgetting Sir Kalro saw this from a different angle? What if the spy that got in today gathers info for the next two weeks and use that to influence the upcoming war?

???

It's fine that Your Highness are doing this for a fishery and a workshop. However,

I'm not talking about

Edelweiss, Have you heard the rumor about

the weather.

tumor about
Kaze?

I'm good at sneaking
around.

No wonder you
can easily evade
all the traps and
peek into the
changing room.

I'm amazed, you
got close to the
Empire's Kaze...
Kaze is a title given
to their elite spies.

However,
Your Highness
must never do that
again. They're also
trained as assassins.

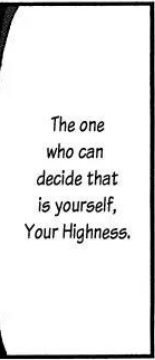

Don't worry,
I'm just an
unnneeded
child.

Yes, I know, and so I have decided.

The one who can decide that is yourself, Your Highness.

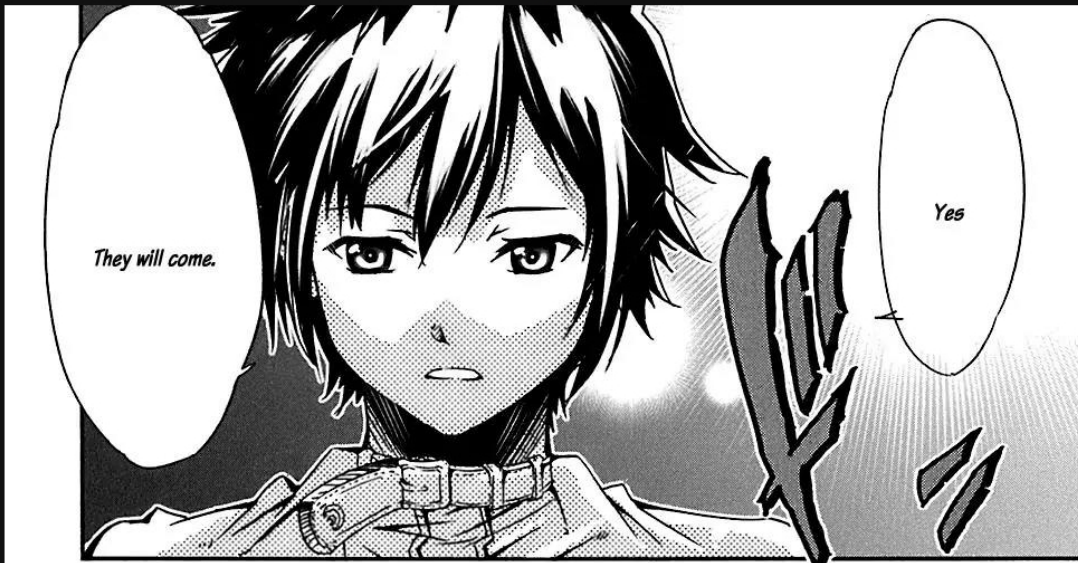

Do you think that the Empire will come and attack us within a week, Your Highness?

What?

I see, well then, allow me to ask you a question.

41

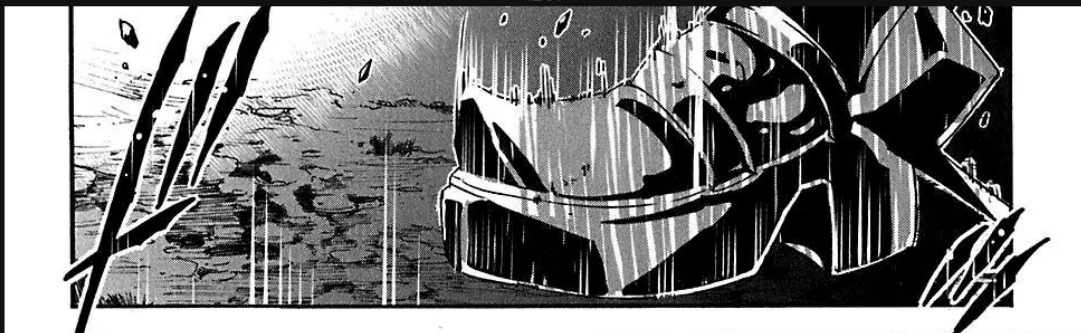

They will come.

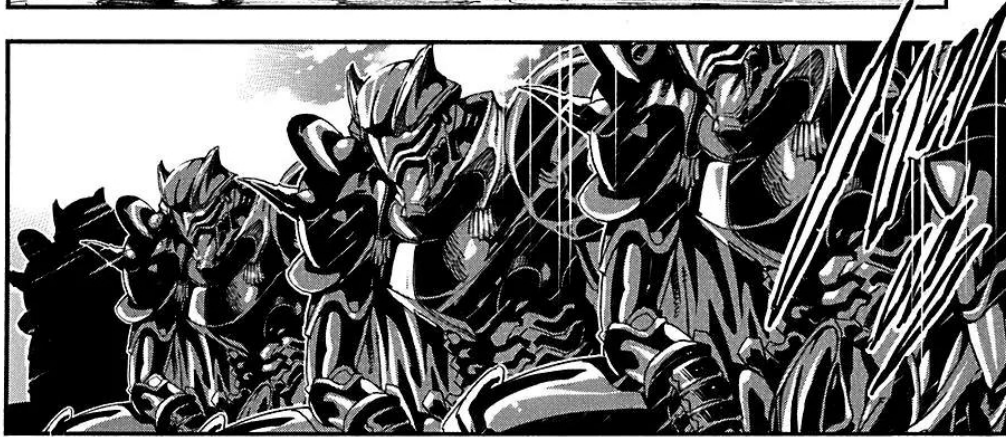

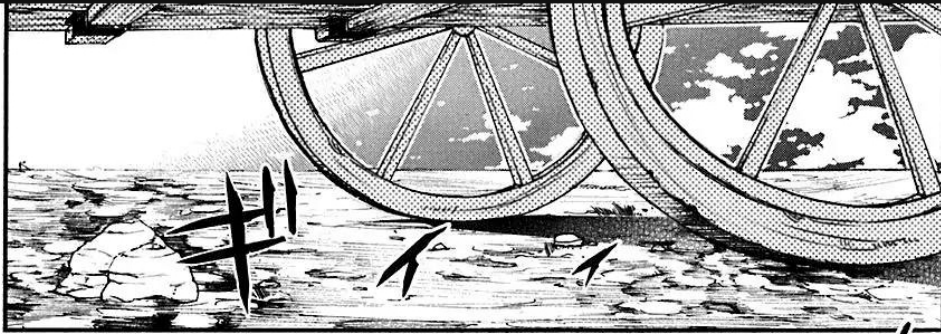

Yes

I hate violence, so I'm thinking if it's possible to solve it through negotiations.

Then what shall you do, Your Highness?

WE'VE
CAUGHT
SOMEONE
THAT
COULD BE
A SPY.

I'M
SORRY

What's
wrong?

I CAN
TELL YOU
WHERE THE
REPUBLIC'S
MILITARY
PREPARATION

PLEASE!
I WILL DO
EVERYTHING
YOU SAY! I

WAIT, I'M
FROM THE
REPUBLIC!
I'M NOT A

WILL EVEN CHANGE SIDES!

I'M NOT A SPY! I JUST HAPPENED TO PASS BY!!

Story.2 光輝の麗姫

Ahhh I get it, I get it. Let's just eat already.

PRINCESS, PLEASE SAY DINNER INSTEAD...

Let's get some grub.

Is it already that time of the day? No wonder I feel hungry.

That should bring out their strength for tomorrow.

Reinar, give sake to everybody.

Roger
